## Directions to L'Antica Trattoria:

L'Antica Trattoria is on the northbound side about 1/2-3/4 of a mile south of where Newman Springs Road (Route 520) intersects Route 9. As you are coming north on Route 9, you will pass Shop-Rite, then as soon as you pass Nonna's Citi Cucina make sharp right. The restaurant will then be on the left in shopping center. You must make that right after Nonna's Citi Cucina since that's the only way in.
